**All Saints Concert
Band**

All Saints Concert Band (ASCB) is a Community Band, based near Crystal Palace, which has some 40 members who enjoy playing a wide variety of music from Bach to Bernstein, and from musical shows to military marches to film music.

In addition to weekly rehearsals, ASCB performs up to ten times a year to raise money for local and national charities. We have played at some great concert venues including Eastbourne Bandstand and Hever Castle. We have a long-standing association with the Multiple Sclerosis Society, and have also played at fundraising events at local churches, shopping centres, schools, garden parties, fetes, and music festivals.

All Saints Concert Band welcomes players of all ages and abilities. There are no auditions - all we ask is a commitment to attending as many Monday evening rehearsals as possible and a desire to have fun and enjoy music making.
